WHERE TO GO, WHAT TO DO AND WHAT TO SEE THIS MONTH

art of seduction

In what is to become an annual event, The Seduction of Paint at the Rollo gallery celebrates the work of seven recently qualified and hotly tipped young London-trained artists. Each painter has a unique style, including Scarlett Raven's landscapes and Margot Saunder's vibrant beasts (right), but what brings this show together is the strong use of colour and the sheer depth of talent on display.

UNTIL 9 JANUARY.
